RIFBAR Cookies Policy

Main RIFBAR Cookies Policy

Who are we?

“RIFBAR” means RIFBAR International Limited, together with affiliates and subsidiaries. A cookie file is a small piece of data (text file) that the browser stores on your device when you visit https://rifbar.com/. We use cookies to collect information, like your language preference or login information. RIFBAR uses this information to enable the website to work and enhance the user experience. These cookie files are called first-party cookies. RIFBAR also uses third party cookies for analytics tracking, advertising and marketing activities on rifbar.com website. Third-party cookies data is not transferred to any third parties and is accessible to RIFBAR employees and contractors only.

More specifically, we use cookies and other tracking technologies for the following purposes: To improve website navigation experience; To assist in registration, login, and provide you the possibility to leave feedback; To analyze user interaction with digital products, services and applications; To customize the advertisement due to user preferences; Multi-user interaction with rifbar.com UI.

The list of the cookies used on rifbar.com property is classified due to the following categories: Strictly Necessary Cookies Performance Cookies Functional Cookies Targeting Cookies

Information We Collect Automatically

These cookies are necessary for the website to function and we cannot switch them off in our systems. They are usually set in response to your actions, such as a request for service, login, form submission. You can set your browser to block or alert you about these cookies. This may cause issues in website performance and user interactions during the session.

Categories Cookies Authorization. This cookie is used for the ID Token that contains user profile information (like user's name and surname, email, or other login information), represented in the form of token. Csrf token Google tag manager This cookie file is associated with Google Tag Manager which is used for analytics tracking purposes. The personal information referenced above (e.g., name, surname, email) is handled in accordance with the RIFBAR Privacy Policy.

Performance Cookies

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated, depersonalized, and thus anonymous. If you do not allow these cookies, we will not know when you have visited our site.

Categories Cookies Google Analytics Google’s Privacy Policy Google Analytics gathers information allowing us to understand interactions with our websites and ultimately refine that experience to better serve you Google’s Privacy Policy

Functional Cookies

These cookies allow better functionality and personalization, such as videos and live chats. They may be set by us or by third-party providers whose services we have added to our pages. If you do not allow these cookies, then some or all these functionalities may not work. We do not use such cookies at the moment.

Targeting Cookies

These cookies are set through our site by our advertising partners. They can be used by those companies to build a profile of your interests and show you relevant ads on other sites. They work by uniquely identifying your browser and device. If you do not allow these cookies, you will not experience our targeted advertising across different websites. We do not use such cookies at the moment.

How you can control the use of Cookies

Remember that most browsers accept cookies by default. However, if you do not want to accept cookies or store them on your device anymore, there are several ways to do that. Here is how you can control your use of cookies: Use your browser settings. There you can manage your cookie preferences or delete all the cookies stored. For step-by-step instructions, please visit aboutcookies.org/how-to-control-cookies/. Use opt-out tools for interest-based advertisements. Some ads may include the AdChoices icon to opt out. You can also go to or optout.networkadvertising.org to learn how to opt out of having your data used for interest-based advertising by Digital Advertising Alliance (DAA) members. Use web analytics opt-out tools by Google.

For information on your broader data protection rights (access, correction, erasure, etc.), see the RIFBAR Privacy Policy.
